Dear Colleagues,

< CANCELLATION >

The 15th Rehabilitation Symposium cum the 7th Sir Harry Fang Oration (12-13 October 2019) Enrolment fee to be fully refunded upon application submission

The Organizing Committee (OC) of the 15th Rehabilitation Symposium cum the 7th Sir Harry Fang Oration (the Symposium) announced today the cancellation of this year's Rehabilitation Symposium cum Sir Harry Fang Oration (12-13 October 2019).

The OC gives first priority to the safety of the guest, speakers, participants, exhibitors and staff members. Since the recent social unrest, unpredictable circumstances (MTR train service is still limited and some stations are closed), and the large number of participants of the event, in case of any conflicts in the vicinity, it would be difficult to ensure all the participants could leave the venue safely within a short time. With due consideration given to these factors, the OC decided to cancel the Symposium (including the Oration) this year.

Concerning the refund arrangement to registered participants, the OC would like to offer two options. Details please refer to the reply form (for participants) as enclosed.

The cancellation notice/arrangement is also available on the HKCOS website www.hkcos.org.hk and Facebook page of the Rehabilitation Symposium 2019 www.facebook.com/hkcos.rehab for information. Should you have any queries, please contact Symposium Secretariat at (852) 2871 8722 or by email at hkcos@hkcos.org.hk.

The OC thanked for your support and sincerely apologizes for all the inconvenience caused by the cancellation of the Symposium.

Yours sincerely,

Symposium Secretariat
