

HKCOS Newsletter

New council of college

Dr. YAU Wai-pan President, HKCOS

With the support of fellows of our college, the new council of Hong Kong College of Orthopaedic Surgeons was formed in December 2018. One of the missions of the council in this term is to improve communication between council and our members. Hence, HKCOS Newsletter is re-started to provide fellows and trainee updated news of our college. The Newsletter will be published at 3-monthly interval. In this first issue, we invite Dr. Michael Ong, chairperson of the newly formed "Orthopaedic Student Group Committee", to share with us the mission of this new committee of our college.

Beijing, China

Orthopaedic Student Group Committee

Dr. Michael Tim-yun ONG

Chairperson, OSG committee

The Orthopaedic Student Group (OSG) was established in 2018 under the stewardship of Professor Patrick SH Yung, as a chapter of the Hong Kong College of Orthopaedic Surgeons. Its membership is comprised of medical students from all academic years from the Chinese University of Hong Kong and The University of Hong Kong. The purpose of the Student Group is to provide a platform for all medical students with an interest in the field of Orthopaedics to gain an insight into the specialty.

Members of the OSG have an opportunity to participate in the activities organized by the Hong Kong College of Orthopaedic Surgeons, as well as some selected activities organized by the Hong Kong Orthopaedic Association. Members are invited to observe the activity of boards and committees and comment where appropriate.

“Objectives of the Orthopaedic Student Group Committee”

1. To nurture medical students and develop an interest in Orthopaedics, for the clinical management of Orthopaedic conditions and research.
2. To act as a platform for communication between medical students and the Academy, and a conduit for the views of medical students to be represented to the Council.
3. To promote medical students engagement and involvement in the Academy.

WE NEED YOUR SUPPORT – PLEASE VISIT COLLEGE WEBSITE AT HKCOS.ORG.HK

There was a major revamp of the website of our college in 2018. We continue to update information on it, hoping it to serve as a useful platform between college and our members. Majority of essential information on fellowship training and post-fellowship education are available on this website. We hope that you find our website informative and useful. In case you have any comments or suggestions, please e-mail college at hkcoss@hkcoss.org.hk.
